

Indian Cuisine Change of Service

With enormous regret, our Indian Cuisine will **no longer be available** on a regular basis from **Monday 4th June 2018**, either in our Restaurant or to Takeaway.

There is a huge shortage of skilled Indian chefs in the UK and this shortage, coupled with ever-increasing food costs sadly means it is no longer logistically or financially viable for our popular Indian restaurant to operate a regular weekly service.

We will still be hosting special Atul's-Indian-cuisine themed events and dinners in our restaurant - you can keep up to date on these on our website or Facebook page.

Alternatively, we now offer a new Traditional Pub Meals Menu, Pizzas and Breakfast/Lunch menus, all of which can be found online.

For more information about this issue, please speak to one of our team.

Thank you for your custom. Atul Patel & Family.
